RE: FCC ID: OW3NEM-2

Attention: Detlev Aust

I have a few comments on this Application.

1. The schematics indicate that the 1800 GSM frequency band is part of this device. While only the US frequency bands will be considered, the FCC wants to know if other non US bands are available. Please verify.
- 2.

A handwritten signature in black ink that reads "Dennis Ward". The signature is fluid and cursive, with "Dennis" on the top line and "Ward" on the bottom line.

Dennis Ward
