Attention: Guido Paland

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please complete the 731 form by putting the appropriate power levels in section 6(b) of the Equipment Specifications area
2. Please note that only the FXD modulation is shown for the BT in the 731. If the other modulation (GXD) for the 8DPSK mode is desired to be on the grant please add this to the 731.
