RE: Short Term Confidentiality Request For GEOFORCE GT-1, ICCID: ZBR002

To Whom It May Concern:

In accordance with sections 0.457 and 0.459 of CFR 47, Geoforce Inc. requests short-term Confidentiality of following sections of this application for a period of 180 days after grant is issued.

1. Test setup photos
2. External photos
3. Internal photos
4. User's Manual

These documents contain detailed system and equipment descriptions and related information about the product, which Geoforce Inc. considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Geoforce Inc. feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,  
Brandon Taylor  
Director, Hardware Development
