Mr. Lyles,

With regard to correspondence of January 4, 2005 concerning FCC ID OWDTR-0013-E, the questions are listed below with responses to each.

1.) Please provide the specific rule subparts for each rule section that you wish to add.

Response: The following parts are requested for addition:

Part 80 Subpart U - Radiotelephone Installations Required by the Bridge-To-Bridge Act
Part 22 Subpart E - Paging and Radiotelephone Service
Part 22 Subpart F - Rural Radiotelephone Service
Part 74 Subpart D - Remote Pickup and Low Power Auxiliary Broadcast Stations

2.) Please submit a new users manual including the Part 80 licensing information and frequency usage plan.

Response: A table of channel numbers and VHF frequencies for domestic, Canadian and International assignments has been added to the Operator's manual, in Appendix A. A PDF of the manual is submitted with this response letter.

Thank you for your attention to our application for the Rule Part additions. If I can be of any further help, let me know.

Sincerely,

Daryl Popowitch
