

Submitted to FCC website at the same time as this.
I hope everything is now current and satisfactory. Previous versions of manuals and MPE reports can be removed.

Mr. T. Harrington called and left a voice mail message questioning my email address. It is in fact correct, as in FCC records. Please pass the message to him, as I do not have a phone number for him nor an email address.

Re: FCC ID OWDTR-0019-E
Applicant: M/A-COM, Inc.
Correspondence Reference Number: 26032
731 Confirmation Number: EA696957

1) Several iterations have been done for MPE estimation:

power W	gain dBd	MPE distance cm	DF
116	2.85	270	
0.5			
145	2.15	218	
0.5			
132	2.15	293	
1.0			

Last MPE exhibit should be revised to use operating duty factor, also use and install instructions revised if appropriate.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal pursuant to Section 2.917 (c) and forfeiture of the filing fee pursuant to section 1.1108.

DO NOT reply to this e-mail by using the Reply button. In order for your response to be processed expeditiously, you must upload your response via the Internet at www.fcc.gov, Electronic Filing, OET Equipment Authorization Electronic Filing. If the response is submitted through Add Attachments, in order to expedite processing, a

message which informs the processing staff that a new exhibit has been submitted must also be submitted via Submit Correspondence. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
