Subject: FCC: OWDTR-0141-E
IC: 3636B-0141

Harris seeks application approval for an original FCC Grant and IC Certificate on the XG-25P portable radio.

Technical details (test reports, operator's manual, parts lists, schematic, block diagrams, tune up procedure, internal/external photos, label photo, and operational descriptions) are included as exhibits, along with the Agent Authorization for Rhein Tech Laboratories to act on Harris Corporation's behalf.

Thank you for your consideration and timely review of this new product.

Sincerely,

A handwritten signature in black ink that reads "William H. Pertner". The signature is written in a cursive style.

William H. Pertner
Regulatory Manager
