ATTESTATION

XL-95P / XL-45P – RSS-119 Section 3.2 and FCC Part 90.203 (e/f/g) - Attestation

The XL-95P/XL-45P can only be programmed/configured for frequencies by a trained professional installer using a proprietary Harris software application, Radio Program Manager 2 (RPM2). Harris only provides installation licenses for RPM2 to trained professional installers.
