Inquiry:

Permit But Ask: Request to keep product internal photographs from public view
The product is a Part 15 combination DTS and frequency hopping spread spectrum radio sold to and used exclusively by power utility companies. The grantee wants to maintain confidentiality of the product internal photographs.

Justification for requesting confidentiality of internal photographs:

The referenced product is sold only to power utilities and is not available on the general market. The product will be located on utility property, either on power poles or inside the building. It will not be available for public inspection.
