RE: Request to Dismiss FCC ID: OWS-NIC511-03  
731 Confirmation Number: TC766163  
Inquiry KDB: 880798

Dear FCC,

We are requesting the dismissal of the C2PC application, FCC ID: OWS-NIC511-03, granted on June 14, 2017. The non-composite C2PC filing is preventing the correction of the original application. The original application should be marked as composite device, but was filed as non-composite device.

Thank you,
