Attention:          Application Examiner

RE:                  Request for Short-term confidentiality per FCC Rule Sections 0.457 and 0.459  
Applicant:        **Silver Spring Networks Inc.**  
FCC ID:            OWS-NIC711  
IC:                  5975A-NIC711

To whom it may concern,

Request is hereby submitted, on behalf of my client **Silver Spring Networks**, to withhold from public review until 1 October 2012, certain portions of the application for equipment certification for the referenced FCC identifier. In particular, we request the following sections of the application be kept confidential until 1 October 2012

**Test setup photos**  
**User manual**  
**External photos**

These documents contain product information that Silver Spring does not want released until the product announcement because this information could provide a marketing advantage to competition.

If marketing of this device begins before this date, Silver Spring will immediately inform UL CCS so that short-term confidentiality status can be cancelled.

If you have questions or need further information, please contact the undersigned.

Sincerely,

THOMAS N. COKENIAS  
EMC Consultant/Agent for Silver Spring Networks
