#### Bluetooth \* 4.0 Dual-Mode Micro USB Adapter

# Introduction

Thank you for your purchase of the Targus Bluetooth 4.0 Dual-Mode Micro USB Adapter. This adapter enables your PC or laptop to wirelessly connect to Bluetooth devices up to 10m away. It also allows you to connect up to seven Bluetooth devices including PDAs, smart phones, keyboards, mice, printers, and other Bluetooth 1.1 / 1.2 / 2.0 / 2.1 compliant devices.

The adapter has built-in 128-bit encryption and authentication to enable secure connections between Bluetooth devices and installs easily with Plug-and-Play convenience.

## Contents

- Targus Bluetooth 4.0 Dual-Mode Micro USB Adapter
- Driver CD
- · Qucik Start Guide

## **Technical Specifications:**

Data rate: Up to 3 Mbps Class 2 Bluetooth adaptor Supports Bluetooth Low-Energy (BLE) and v1.1/1.2/2.0/2.1+EDR/4.0+EDR compliant devices Working Distance : 10 meters in free space

# System Requirements

- Windows® 10
- Windows® 8.1
- Windows<sup>®</sup> 8
- Windows® 7
- Windows Vista<sup>®</sup>

# Adapter Installation

- 1. Insert the driver software CD into your computer's optical drive.
- 2. Follow the on-screen instructions.
- 3. When the "Bluetooth Device Not Found" or "No Bluetooth device was detected" window appears, insert the USB Bluetooth adapter in the USB port.

Note: Do not connect the Adapter to your computer until the software drivers are installed.

4. Follow the on-screen instructions then click Finish to complete the installation.

If your computer does not have an optical drive, you can download the latest driver from http://www.targus.com/form/download.aspx?region=7&sku=ACB10US1

# **Basic Operations**

#### To start Bluetooth

In the Windows system tray, right-click the Bluetooth icon and select Start the Bluetooth Device / Turn Adapter On. The Bluetooth icon is blue in color with a white insert when the Bluetooth software is running

#### To stop Bluetooth

In the Windows system tray, right-click the Bluetooth icon and select Stop the Bluetooth Device / Turn Adapter Off. The Bluetooth icon is blue in color with a red insert when Bluetooth is stopped.

# Verifying the Adapter is Installed

After installing the adapter software :

- 1. Click Start/Control Panel/Hardware/Device Manager.
- 2. Check under 'Bluetooth Radios' that a 'Broadcom BCM 20702 Bluetooth 4.0 USB device" is installed.

If the information is not present:

- 1. Unplug the adapter
- 2. Plug the adapter into the USB port to initiate the driver. Verify that the adapter is installed.

You are now ready to configure the Bluetooth.

# **Configuring Bluetooth Devices**

#### **Bluetooth Tray**

The Bluetooth tray resides in the Windows system tray, which is normally located in the lower-right corner of the screen. The Bluetooth tray provides fast access to most Bluetooth operations.

#### From the Bluetooth tray you can :

- · Add a Bluetooth device: right-click the Bluetooth icon and then select Add a Device.
- · Show a Bluetooth device: right-click the Bluetooth icon and then select Show Bluetooth Device.
- · Access the Bluetooth Configuration Panel: right-click the Bluetooth icon, and then select Open Settings.

#### AUSTRALIAN AND NEW ZEALAND CONSUMERS ONLY

Thank you for your purchase. Targus warrants to the original purchaser that its products are free from defects in materials and workmanship, during the specified warranty period, and lasts as long as the original purchaser owns the product. The warranty period is stated on the packaging or in the documentation provided with this Targus product. Targus' Limited Product Warranty excludes damage caused by accident, neglect, abuse, misuse, improper care, normal wear and tear, ownership transfer, or alteration. The limited warranty also excludes any product that is not manufactured by Targus (including, without limitation, laptops, smartphones, devices, tablets, or any other non-Targus item) that is used in connection with the Targus product.

In the event that the Targus product has a defect in materials or workmanship Targus will, after receiving a warranty claim and inspecting the product, at its discretion, do one of the following: repair, replace, or refund with the same or a similar product (or part) of no lesser quality and ship it to the original purchaser at Targus' expense. As part of this inspection, proof of purchase will be required. There is no charge for inspection. To make a warranty claim, please contact Targus Australia or New Zealand (see details below), or return the product to the place of purchase. The original purchaser must bear the cost of the delivery to Targus.

Under Australian and/or New Zealand Consumer Laws, in addition to any warranty Targus gives, our products come with guarantees that cannot be excluded. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are entitled to have the products repaired or replaced if they fail to be of acceptable quality and the failure does not amount to a major failure.

For any warranty question, contact Targus Australia Pty. Ltd. (i) by mail at Suite 2, Level 8, 5 Rider Boulevard, Rhodes NSW 2138, by phone AUS 1800 641 645 or NZ 0800 633 222 or by Email: infoaust@targus.com. For additional information, check out our website at targus.com/au/warranty.

## **Regulatory Compliance**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

## **FCC Statement**

Tested to Comply

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

This device may not cause harmful interference, and

This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

. Reorient or relocate the receiving antenna.

. Increase the separation between the equipment and receiver.

. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

15.21

You are cautioned that changes or modifications not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

FCC RF Radiation Exposure Statement:

1. This Transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

FCCCE Bluetooth 💩 🗵 🖳 🚱

2. For body worn operation, this device has been tested and meets FCC RF exposure guidelines. When used with an accessory that contains metal may not ensure compliance with FCC RF exposure guidelines.

### Declaration of Conformity

Hereby, Targus, declares that this device is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.

ID: B019364 (ACB10US1)
