Re: Preco Electronics PRECOlink Wireless CAN module
FCC ID: OXZPCLK2020

To whom it may concern:

Preco Electronics respectfully requests that under the provision of 47 CFR 0.459 and 47 CFR 0.457 (d), the documents listed below and attached with this application for certification be provided with long-term confidential status.

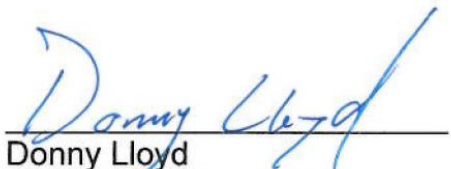

The items listed below contain detailed schematic diagrams submitted to the FCC for review with this application. These schematics contain proprietary information regarding the circuit operation and capabilities that are the result of Preco Electronics extensive investment in research and development. Without the disclosed information, competitive organizations would take considerably more time to assess and develop a competitive product.

We therefore formally request that the materials listed below be kept strictly confidential and not made available for inspection by any other party, except on a need to know basis for the sole purpose of the certification process.

Confidential Items (long-term):

- Schematics
- Operational Description
- Frequency Block Diagrams

Sincerely,

Donny Lloyd
