

EXCELLENCE IN ELECTRONICS

March 1, 2000

Intertek Testing Services
1365 Adams Court
Menlo Park, CA 94025

To Whom It May Concern:

This letter authorizes Intertek testing to prepare and submit FCC paperwork and applications as necessary for the Preco PV2000 product.

Sincerely,

Dale Hessing
Director of Engineering
(208)325-5945
