Wireless WorkSight PreView WWS7220 Antenna Information

FCC ID: OXZWWS72XX

The Wireless WorkSight PreView complies with the antenna requirements of paragraph 15.203 of the FCC rules. Both the 5.8GHz and 2.4GHz integral antennas are patch array residing on RF circuit boards. These circuit boards are then installed in a plastic housing and the housing is filled with urethane material.

Sincerely,

John Fadgen
