Address	10355 W Emerald St
City, State, Zip	Boise, ID 83704-8241
Job Number	PRCO0055
Model	WZPV4015
FCC ID	OXZWZPV2009
Agent	
Approval Type	Class II Permissive Change
Equipment Class	DXX Part 15, Low Power Communication Device Transmitter
Rule Part	15C

### Overview

This application is to add a new model number to the existing grant FCC ID: OXZWZPV2009. The new model number is WS6220 and the radio device is identical to the original grant. The only changes are a new radar dome was created and a wiring connector was replaced with a 10" wiring harness.

### Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
