Dear Examiner,

This is to request a Class II permissive change for FCC ID: OYGTSSRE3TD, originally granted on 06/25/2012.

New models TSSRE3TE and TSSRE3TF are constructed in the same way as model TSSRE3TD, certified under FCC ID: OYGTSSRE3TD.

All three models have exactly the same hardware and have the same housing.  
The only difference is the setting of some software parameters for the transmitting timing.  
For further details see document "Engineering Judgement.pdf".

If you have any questions regarding this application, please feel free to contact me.

Sincerely,

Mr. Thomas Ring
