BU Peripherals & Accessories

Attestation

We, Philips Electronics Hong Kong Ltd., declare the following for our Bluetooth Mono Headset, Model SWB9000 and SWB9200.

*The user manual indicates that the device is connected per USB cable to a computer for charging purposes. These connections cannot be used by the End-user for **data exchange** between the Headset and the computer. We ensure that the User can use USB port of the device is only to charge the Headset.*
