

APPENDIX B

: ID SAMPLE LABEL & LOCATION

LABELLING REQUIREMENTS

■ ID Label

■ ID Label Location of EUT

The label shown shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time of purchase. (Labeling requirement by 2.925(d))

- The label area on the device is limited because the EUT is relatively small. Therefore, The label is placed inside the battery compartment
- The battery is designed for easy removal and the label will be visible whenever the battery is removed.
- The device will be marketed without the battery installed and the label will be readily visible at the time of purchase.

EUT Type: RF remote controller

FCC ID.: OZ5URCMX5000I
