Subject : Reply for your question. Job 2905KC8
FCC ID: OZ5URCMX6000I (433MHz Portion)

Dear TEI,

Thanks for your question.

I would like to answer to your question for the Job 2905KC8 (OZ5URCMX6000I) as below;

Question 1> OPERATIONAL DESCRIPTION: OPERATIONAL DESCRIPTION: The Operational Description you submitted is a "Parts List." Please send an adequate Operational Description for this 433MHz Remote Control Device.

Answer> [Please attached the revised Operational Description for 433MHz Remote Control Device.](#)

File Name: [CONF\(L\)_URCMX6000I_433_OpeDes_Rev.pdf](#)

The revised exhibits were uploaded at your web site. Please find them and, if there are any questions or problems, please do not hesitate to contact me.

I look forward to hearing your favorable reply soon.

Best Regards,

Tae-Sig(Ted) Park, Technical Manager
Gumi College EMC Center
