November 10, 2016

To Whom It May Concern:

It is desired to obtain a Class II permissive change to the Tantalus Systems Corp. 220MHz WAN Network Controller Base which has been approved in accordance with FCC and IC regulations.

The hardware is identical to the original certified product, but the power amplifier has been changed from one manufacturer to another manufacturer **with identical specifications; all the remaining hardware is identical.** Since the tested maximum RF power is slightly less than the original submission, no RF exposure exhibit has been submitted since the original exhibit remains valid.

The following is relevant information pertaining to this application:

Company Name: Tantalus Systems Corp.
Address: 200-3555 Gilmore Way
Burnaby
B.C.
Canada
V5G 0B3

FCC Certification Number: OZFN22001
IC Certification Number: 3669A- NC2200

Sincerely,

Mark Fairburn
