Federal Communications Commission  
Authorization and Evaluation Division

Confidentiality Request regarding application for certification of FCC ID: OZFT90002.

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below:

The schematic diagrams, block diagrams, product parts list, theory of operation or pictures of the inside of the product contain information proprietary to Tantalus and form a basis of our intellectual property with respect to our product designs.

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

Internal pictures have been included in the request for confidentiality because this is not a consumer device and cannot be easily accessed by the consumer. The device is sealed in a meter at the time of installation.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Sincerely,

A handwritten signature in blue ink that reads "R. DeAngelis". The signature is written in a cursive style with a light blue highlight underneath the name.

Rob DeAngelis  
End Point Product Lead  
Tantalus Systems Corp.
