Audit request of FCC ID: OZFT90002

We have recently noticed that there has been an omission of text on the test report submitted for FCC ID OZFT90002. Without this text it would appear that we do not meet the FCC requirements for unwanted emissions pursuant to Section 15.205.

We request that you re-open the file so that the Test report can be updated with the omitted text.

We apologize for this unintentional omission and for any confusion that may have occurred due to this omission.

Sincerely,

A handwritten signature in black ink, appearing to be "Mark Fairburn", written over a horizontal line.

Mark Fairburn
RF Design Engineer
Tantalus Systems Corp.
