FCC Application Processing Branch

Subject: EA 507023 Confidentiality letter

To Whom It May Concern:

Please provide confidentiality for the following items within the Netro Corporation's Application EA 507023. Confidentiality is requested due to the Fixed Wireless technology enclosed and the competitive market of the industry.

Please provide confidentiality of the following items:

- System block diagrams
- System schematics
- All build of materials (Part Lists)
- System operational description

Thank you in advance for your assistance regarding this application.
