

Sercomm Corporation
Request for Class II Permissive Change

FCC ID: P27-SCE4255W

Date: 2023-06-01

TO: Federal Communication Commission

Please be notified that we, the undersigned, Sercomm Corporation declare that the reasons for this Class II permissive change are as below:

(Original product used internal SAS client to communicate directly to SAS, current product adds a new operating mode which uses a Domain Proxy for SAS communication.)

The original grant date is 10/21/2021

Thank you.
Sincerely.
