

OEM Installation Manual

The antenna tested for MB801T will not be used in the notebook computer or laptop but the antenna will be installed in the desktop computer with PCI extended adapter. (Please see the figures). The notebook computer manufacturers have their own antennas to fit their design. If we ship MB8001T to the notebook computer manufacturer, we will apply another FCC test with another antenna.

NOTE: This device can only be installed on the PCI card by the OEM or the OEM integrator. It's can't be installed by end user.

FCC ID: P270NV00
