Gentlemen:

Neptune Technology Group, Inc. respectfully requests confidentiality of certain materials provided with the submission of the R900G Remote under FCC ID: P2SNTGR900GR in accordance with FCC Regulations 0.459. The confidentiality request applies to the following exhibits:

- 08-0247 - Theory of Operation.pdf
- 08-0247 - System Block Diagram.pdf
- 08-0247 - Parts List.pdf
- 08-0247 - Schematics.pdf
- 08-0247 - Manual.pdf
- 08-0247 - Internal Photos.pdf

Confidentiality of the Internal Photos is being requested because this is a non-consumer device which is not accessible by the general public and is only serviceable by the licensee or designated technicians. The manual (installation guide) is technical and is not provided to the consumer because the consumer cannot service or install the device. Therefore confidentiality of the manual is also requested.

The R900G Remote has been developed at considerable effort and expense by Neptune Technology Group, Inc. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kirby Munroe', with a long horizontal flourish extending to the right.
