Re: FCC ID: P2SNTR900GM

To Whom It May Concern:

The following request is submitted on behalf of our client, Neptune Technology Group, Inc., to supersede the test report exhibit (07-0422 - 15C Report.pdf) filed under FCC ID: P2SNTR900GM.

The reason for this request is to provide a revised test report which correctly indicates the host enclosures used with this modular approved device. The original report incorrectly identified the host devices to be used with the P2SNTR900GM module.

Sincerely,
