Date: 10/23/2006

Gentlemen:

Neptune Technology Group Inc. respectfully requests confidentiality of certain materials provided with the submission of the R450 under FCC ID: P2SR450 in accordance with FCC Regulations 0.459. The confidentiality request applies to the schematic, BOM, system block diagram, circuit board photographs and theory of operation contained in Exhibits _____. Confidentiality of internal photographs includes components under the RF shields. This unit is sealed and the end user can't remove the RF shields. The R450 has been developed at considerable effort and expense by Neptune Technology Group Inc. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: Quentin Easterling
