SUBJECT: Job Site Radio FCC ID: P3600777

To Whom It May Concern:

Enclosed please find an application for Permissive Change for our FCC ID: P3600777

As described in the schematic diagram, radio circuitry has been modified by:

Adding a low voltage shut down circuit
Changing to a higher voltage amplifier
Adding a 18V voltage regulator

This device has been tested with the changes and found to continue to comply with the FCC requirements. And only this new submitted design will be shipped to the market under the captioned FCC ID.

Should you have any questions or require any further information with regards to this, please feel free to contact me.

Sincerely,

William Cheung
