Re: FCC ID: P3TDH7S-4B

To Whom It May Concern:

Our FCC ID: P3TDH7S-4B has two models; DH7S-A-7S33AR1, DH7S-D-7S33AR1.

This product is Public Safety Centric DAS, the difference between the models is the power supply, one of them works in DC and the other one works in AC

Sincerely,

Dated this 25th day of February 2021
