

FCC ID: P4HMOBILETOUCH2 / IC: 4249A-MOBI2HND

MOBILETOUCH BY PENTAIR WATER POOL AND SPA

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions; (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

⚠ CAUTION!

- Water resistant only. Water intrusion may permanently damage unit. If water enters unit, open battery door and allow to dry before operating.
- Secure battery door with eight (8) screws after changing batteries. Screw down battery door until even with rest of unit. Failure to do so may allow water intrusion.
- Do not leave in direct sunlight for extended periods of time. If screen darkens, place in shade for five minutes or until screen returns to normal before using. Do not adjust contrast as screen will become too light to see when screen cools.
- This device is intended for indoor and outdoor use.
