Mr. Fujimoto:

In order for processing of this certification application (FCC ID: P4HMOBILETOUCH2) to continue, the following issue(s) will have to be addressed:

- 1) Please provide a signed TCB contract.
- 2) The FCC ID label may not be placed on the battery cover.
- 3) Please explain the procedure used for making average measurements.
- 4) Please indicate the type of modulation that the device employs.
- 5) Please provide a letter from the applicant, stating that the application for the subject equipment has not been submitted to another TCB for certification.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website. Your correspondence number is P4HMOBILETOUCH2.
