

Dear Tim

The CPU of the model 4050&4040 we applied before is V3-2440 , this time we update the CPU model to V3-2443, The different between them I have marked red.

Question #1: Please find our updated (v3 2443) Schematics 0416 & (V3-2440) Schematics 0416 and (4050&4010) Class II Letter 0416 attached

Question #2: Please find our updated (4010) Label 0416 attached

Thanks !!
