**Request for Short-Term Confidentiality**

Pursuant to Sections 0.457 and 0.459 of the commission rules, and in accordance with the FCC Public notice dated June 15, 2004 (DA 04-1705), we hereby request short-term confidentiality for the following items prior to marketing the device.

- External Photos and Internal Photos
- Test Setup Photos

These documents contain detailed system and equipment description and related information about the product which Mitac International Corporation considers to be proprietary, confidential, and a custom design and, otherwise would not release to the general public.

Since this design is a basis from which future technological products will evolve, Mitac International Corporation considers this information to be of benefit to its competitors, and that the disclosure of information in these documents would give competitors an unfair advantage in the market

This request is being made retroactively due to an over site on our part. We understand that the information has been publicly available during 90 days.
