In re:

Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, <MEGATECH INTERNATIONAL INC.> hereby requests confidentiality of Schematics, Block Diagrams and Theory of Operation for the subject application.

These documents contain detailed system and equipment description and related information about the product that < MEGATECH INTERNATIONAL INC.> considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, < MEGATECH INTERNATIONAL INC.> considers that this information would be of benefit to its competitors, and that disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely

A handwritten signature in black ink that reads 'Peter R. Whiston'.
