Subject: ARESON Technology CORP., FCC ID: P5A001, Assessment NO.: AN04T4445, Notice#1

Question #1: The wireless mouse is the device seeking FCC certification. The receiver that works with the wireless mouse is subject to FCC DoC only.

Please remove all the receiver portion from external photos, internal photos, block diagram, schematics, FCC ID label format.

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be

directed to the e-mail address listed below the name of the sender.

This e-mail transmission is confidential and intended solely for being reviewed by the recipient(s) identified above. If you are not an identified recipient, please ensure that this communication remains confidential and promptly return it to the sender. Please contact immediately by phone (Tel: 886-2-2299-9720) for any problem with this transmission, Thank you for your attention.
