- ALARM 1 ON INDICATORS (RADIO / BUZZER)** (AL.1 indicator)
- ALARM 2 ON INDICATORS (RADIO / BUZZER)** (AL.2 indicator)
- BLUETOOTH ON** (Bluetooth indicator)

### BATTERY BACKUP (OPTIONAL)

**#1 Remove the battery cover on the bottom of the clock.**

**#2 Insert 2 fresh AAA battery. Make sure to follow the +/- symbols.**

**#3 Replace the battery cover.**

**Note:** The battery backup feature is not necessary to operate your digital alarm clock. It is optional to have the battery backup in case of a power outage. In the event of a power failure, the battery backup will automatically continue to operate the clock and maintain time and alarm time. When the clock runs on the battery backup the clock may lose or gain a few minutes per hour. This may require resetting the time for precise timekeeping.

**IMPORTANT:** Extended storage can cause batteries to leak and damage the unit. Leaky batteries should be discarded immediately. Skin burns or other personal injury can result. Always dispose of batteries according to federal, state and local regulations.

**IMPORTANT:**

- Clean the battery contacts and also those of the device prior to battery installation.
- Remove the battery from the equipment which is not to be used for an extended period of time.
- Remove used battery promptly

**CAUTION:** RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS. SHALL BE MARKED CLOSE TO THE BATTERY COMPARTMENT OR A STATEMENT IN THE USER MANUAL

#### ONE-YEAR LIMITED WARRANTY

NYL Holdings LLC warrants the original consumer purchaser of this product that it shall be free of defects in materials and workmanship for one year from the purchase date of this product. Defects caused by tampering, improper use, unauthorized modifications or repairs, immersion in water or abuse are not covered by this warranty. If a defect covered by this warranty occurs during the warranty period, package your clock carefully and send it to:

Att: Repair center / NYL Holdings LLC  
99 West Hawthorne Ave. Suite 202  
Valley Stream, NY 11580

(516) 256-3240  
1-877-378-7154

You must include a Proof of Purchase, either the original receipt or a photocopy and a check or money order for USD \$5.95 to cover the cost of shipping and handling. Also include your return address inside the package. NYL Holdings LLC will repair or replace the clock and return it to you. NYL Holdings LLC will not be liable for any loss or damages, including incidental or consequential damages of any kind: from any breach of warranty either expressed or implied relating to the product. Since some states do not allow the exclusion or limitation of incidental or consequential damages, these limitations may not apply to you. This warranty gives you specific legal rights, and you may have other rights that vary from state to state.

#### FCC Remarks

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

☐ This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician.

FCC RF Radiation Exposure Statement Caution: To maintain compliance with the FCC's RF exposure guidelines, place the product at least 20cm from nearby persons.

**Note: If no settings are made within 10 seconds, the clock will automatically return to display the normal time. If this happens, you will need to start the setting procedure again from step 1.**

## TIME SETTING

- #1** Press the TIME button for 3 seconds, until the HOUR & MINUTES start to flash.
  - #2** Press the HOUR & MINUTE buttons as needed to set the TIME.
- 
- Note: Be sure to set the hour with the correct AM or PM time period.**
