MANUFACTURERS DECLARATION OF IMEI SECURITY

Applicant:

Ericsson España S.A.
 Parque Tecnológico 700
 48160 Derio
 Spain

Product details:

Ericsson type 0130102-BV, all software and hardware versions.

Declaration:

We declare that the steps listed in paragraphs 1 to 3 below are protect the security of the IMEI has been taken.

1. Programming security

Encryption technique has been adopted to prevent unauthorised reprogramming of the IMEI. The IMEI numbers are stored in noncosecutive memory address.

2. Mechanical security

The apparatus has been constructed such that unauthorised persons cannot economically replace the components in which the IMEI is stored.

3. Availability of software

Knowledge of the software and data locations is restricted to the manufacturer personnel on a need to know basis

Signed for and on behalf of the applicant:

Authorised sign:

Aitor Uribe
