To whom it may concern:

In accordance with 0.459 of CFR 47, we Alien Technology, LLC hereby requests confidential treatment of the following documents which reference the above named Application

- Block Diagram
- Schematics
- Parts List
- Operational Description

These documents contain detailed system and equipment description and related information about the product which Alien Technology, LLC considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Alien Technology considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Greg Katterhagen
Manager, Hardware Engineering
