**Class II Permissive Change Cover Letter**

April 21, 2006

Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

Gentlemen:

This letter is to comply with Class II Permissive change filing under the previously granted RF Code FCC filing for P6F2005433. No changes have been made to the basic frequency determining and stabilizing circuitry, frequency multiplications stages, basic modulator circuit, or maximum power or field strength ratings. Changes have been made to the electrical and mechanical construction to reduce the size of the device. While minimal tuning was performed, these variations have been tested to show compliance.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dale Parvey', with a large checkmark at the end.

Dale Parvey  
Director of Quality
