Exhibit E: External Photos

FCC ID: P6I-COPYCAM

Photos 1 & 2 show the installation of a complete copycam (Photo 1) and a closeup of the wall mounted control module (Photo 2)

Photo 1

Photo 2

Photos 3 & 4 show the connectors, external chassis, and antenna.

Photo 3 shows the 3 User available connectors, the Ethernet RJ-45, the Control Panel RJ-14, and the Power Connector. This photo also clearly shows the RF (SMA) connector sticking out of the chassis with the antenna mounted on it.

Photo 3

Photo 4 shows the top of the ARM assembly with the antenna clearly viewed, mounted on the top of the chassis.
