

Information to the identification label

1. General

The FCC identifier **FCC ID: P6L- blue2net**

is displayed on the identification labels, which will be located on the bottom and on the packaging of the equipment. Due to the small size of the identification labels the following FCC compliance statement and the note for the user will be placed in the user manual of the equipment:

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Note that any changes or modifications to this equipment not expressly approved by the manufacturer could void the user's authority to operate this equipment.

2. Draft versions of the identification labels

Draft versions of the identification labels of the equipment are included in this file and named as follows:

File Name	Description	Comments
<i>ID_LabelOnTheDevice_blue2net.pdf</i>	will be located on the bottom of the equipment.	For place of the ID label on the device please refer to the photo of the device bottom included in this exhibit; file name: <i>Photo_ID_LabelLocation_blue2net.jpg</i> .
<i>ID_LabelOnThePackaging_blue2net.pdf</i>	will be located on the packaging of the equipment.
