Re: FCC Identification Label

Response:

Please refer to the ID Label exhibit P6T1903ID and External Photos exhibit P6T1903EP. The ID label will appear as shown in the ID Label exhibit and will be located on the bottom of the unit as shown in the "A238 External View (Bottom)" photograph in P6T1903EP.

And additional exhibit P6T1903LD has been submitted with this reply. It shows an enlarged photograph of the bottom of the unit.

If any further detailed information is required, P. G. Electronics will provide this information as soon as possible.

Sincerely.
