Re: FCC ID P6T804, 731 Confirmation Number EA233421

Re: Correspondence Reference number: 26376

Re: RF Exposure Information

Response:

We have sent document P6T804RE which addresses the RF exposure information requirement. This has been sent concurrently with this letter. We hope this addresses the requirement.

If any further detailed information is required, P. G. Electronics will provide this information as soon as possible.

Sincerely.

Gerry Graham
