Re: FCC ID: P7G-170793

Dear Examiner,

This application is to request an original Modular approval for radio module PT00170793, FCC ID: P7G-170793. Product description: 13.56MHz RFID Secure RFID Reader. The RFID module will not be for sale, nor will be made available to third parties. It is intended only to be installed into Covidien host devices.

Sincerely,

Barbara Maestas
Sr. Reg Affairs Program Manager
