MET LABORATORIES, INC.
914 West Patapsco Avenue,
Baltimore, MD 21230-3432

CONFIDENTIALITY REQUEST FOR 916.5 MHz Transceiver I21RU4A and FCC ID P8A-I21RU4A

To Whom it May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459.

We have requested that all the schematics and block-diagrams associated with the Transceiver and required to be submitted with this application be withheld from public review. All the above are INTECH 21, INC. proprietary information that could never get into possession of our competition.

Please contact us if there is any information you may need.

Sincerely,

Yuriy Izvarin,
System Design Engineer
