Administration**

DEC 19 2006

Mr. Andy Leimer
Federal Communications Commission
Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, Maryland 21046

Dear Mr. Leimer:

The Federal Aviation Administration (FAA) Office of ATC Spectrum Engineering Services, has reviewed the Type Acceptance Certification request from Aviation Communications and Surveillance Systems (ACSS) for their Traffic and Collision Avoidance System 3000 (TCAS-3000) part number 9003000-10001, Federal Communications Commission ID number P8CT3K-6M. The technical data for this equipment is consistent with the spectrum requirements for this system and the FAA has no objections to the certification of this device as requested by ACSS.

Should you have any questions or concerns, please contact Mr. Donald Nellis, Spectrum Planning and International Office, at (202) 267-9779.

Sincerely

A handwritten signature in black ink, appearing to read 'RAF', with a long horizontal line extending to the right.

Robert A. Frazier
Manager, Spectrum Planning and
and International Office
