RE: CONFIDENTIALITY REQUEST FOR THE **C6288i**  
FCC ID: P8D-C6288I

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. Mobicom Corporation requests that the schematic diagrams, layouts, block diagrams, functional descriptions, parts lists, and calibration procedures required to be submitted with this application are withheld from public review. These documents are company proprietary information that should not get into the possession of competitors. Release of these items to the general public, and thus our competition, would be detrimental to our competitive edge.

Please contact me if there is any information you may need.

Sincerely,

Joe Murphy  
Senior Testing Engineer
