To whom it may concern:

We at Alcohol Monitoring Systems LLC. located at 9135 S. Ridgeline Blvd. #190, Highlands Ranch, CO 80129, are submitting for a class 2 permissive change to FCC ID No. P8M-AMS-20020000. The change to the device consists of replacing the original antenna with a new antenna, which is a full wave loop antenna comprising four quarter wave section as described in the attached enclosures. No other changes were made to the device, user manual, or other device documentation.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Hawthorne', written in a cursive style.
