Attention:
FCC Application Examiner
FCC Reviewing Engineer

Re: Request for confidentiality per Section 0.459 of FCC Rules

Applicant: Alcohol Monitoring Systems, Inc.

FCC ID: P8M-SM02

To whom it may concern,
Request is hereby submitted by Alcohol Monitoring Systems, Inc., to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifier. In particular, the following sections of the application and report are requested to be kept confidential:

- Schematic
- Block diagrams
- Operational Description
- User Manual

Rationale for request for confidentiality:

Alcohol Monitoring Systems, Inc. wishes to keep these items confidential to maintain a competitive advantage in the marketplace.

Regarding our user manual, entitled "SCRAM Operating Guide." We request that this item be held confidential as it is provided only to AMS Service Providers who have been specially trained in operating the SCRAM system and who are under contract to do so. This document contains very technical information about the device operation, as well as information about business practices. End users can not service the device.

The \$125 fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Sincerely,

Mark H. Wojcik
VP Engineering
